Aarav Sharma

SAMPLE RESUME — fictional candidate for software testing only

Email: aarav.sharma@example.com | Phone: 000-000-0000 | Location: New Delhi, India

PROFESSIONAL SUMMARY

Entry-level data and software enthusiast with academic project experience in Python, SQL, data analysis, and basic machine learning. Interested in building practical, reliable applications and learning from collaborative teams.

EDUCATION

Bachelor of Computer Applications (BCA) — Example Institute of Technology | 2023–2026
Relevant coursework: Python Programming, Database Management Systems, Data Structures, Statistics, Machine Learning.

TECHNICAL SKILLS

Python, SQL, Pandas, NumPy, scikit-learn, Git, Excel, data cleaning, exploratory data analysis, basic NLP, HTML, CSS

PROJECTS

Student Performance Analysis
• Cleaned a sample student dataset using Pandas and explored attendance, study hours, and assignment completion.
• Built a baseline classification model with scikit-learn and reviewed its predictions.

Movie Genre Text Classification
• Used TF-IDF features and a machine-learning classifier to experiment with classifying movie descriptions.
• Documented the workflow and limitations of the baseline model.

EXPERIENCE

Academic Project Contributor — Coursework projects | 2025–2026
• Prepared datasets, tested Python scripts, and documented project steps for academic submissions.

CERTIFICATIONS

Introductory Python and Data Analysis coursework (sample entry; not a claim of a real credential).

ADDITIONAL INFORMATION

Languages: English, Hindi
This document is synthetic test data. It does not represent a real person and must not be used as a real job application.
